Local and Miscellaneous.

**Our Own Affairs.**  
Mr. J. S. Scott, General Collecting Agent, is authorized to receive Subscriptions, Advertisements, &c., for us, and to give receipts for money due this Office. We cheerfully recommend Mr. Scott as a prompt, reliable, and courteous gentleman.  
A. C. THOMPSON,  
Editor & Proprietor.

**Sons of Malta.**  
We understand that there is to be organized in this place to-night a Lodge of the Sons of Malta. As is invariably the case, we believe they will undoubtedly have a "good time." We are not "posted" as to the initiatory ceremonies of the "Mystic Order," but are convinced from what we can gather, and from the interest the members take in it, that there is to say the least of it fun in it, sure.

On account of the great hurry in which this issue is gotten out, we have not had time to prepare as we would have liked to, the original matter for this issue. We hope not to be hurried so next week.

We enclose to many of our democratic friends throughout the county, our prospectus, hoping they will improve every opportunity to obtain for us, responsible subscribers, and send their names in at an early day. We expect their hearty cooperation in our undertaking. Remember that a most important campaign is now opening, and that we have a national victory to fight for, or lose.

We will be under great obligations to any of our subscribers, if they will bring us immediately some good, straight, seasoned wood, as we have none on hand. One Cord of such wood will pay for one year's subscription to the Plymouth Weekly Democrat.

The fugitive slaves are creating great disturbances in Canada. Their children have hitherto been kept separate in the schools, but their parents now claim equal privileges with the whites. The negroes have destroyed much school property. The disturbances had not been quelled at the latest accounts.

Two-story rail way cars are now in successful operation in France.

Dennis McCarthy a clerk in the Chicago Post Office, has been arrested for robbing he mails.

Gen. Cass has given to the Board of Education, in Detroit, a lot of land valued at \$15,000, for a union school house.

The trials of Stephens and Hazlett, two of the alleged Harper's Ferry conspirators, will commence on the first of February next.

Root, Bennett & Co.'s Foundry, was burned at Indianapolis, last Friday night. Loss \$3,000—insured.

The Harper's Ferry outrage has cost the State of Virginia \$100,000.

Hon. Charles J. Faulkner, of Va., has been appointed Minister to France, in place of Hon. John V. Mason, deceased.

The whole number of fugitive slaves now in Canada, is estimated at 24,000. Many of them are suffering terribly from cold and starvation. The whole free negro population at the North is estimated at 250,000.

The War Department reports 207 revolutionary soldiers now on the Pension List.

A large number of mail contractors have informed the Post Office Department that they will break off the lines if no appropriation is made by the first of March.

It has been so intensely cold in the South of France, recently, that a sentinel was found frozen to death in his sentry-box.

The Boston Journal states that after a thorough and complete investigation of the late Lawrence tragedy, it has been found that the whole number killed is 88—eleven persons yet missing.

Mr. John E. Fry, Republican Senator of the Massachusetts Legislature, has, at the earnest request of his constituents, resigned his seat in the Senate, having been charged with forgery.

EMIGRATION to Pike's Peak has already commenced. The St. Joseph Gazette of the 19th inst., states that 120 gold seekers arrived there on that day from Ohio.

At the hour of going to press the snow is falling rapidly, being already some six or eight inches on a level, with a prospect of a very deep show. Our gallant young gentlemen are already "engaging partners" for the "good time coming," and with

"Bells on their horses,  
And Bells in the sleighs,"  
are looking forward to a gay time, generally.

A Railroad collision occurred on the Hudson River Railroad on the 19th inst. Mrs. T. W. Field was killed. And ten or twelve passengers more or less injured.
